V O R W O R T

Der vorliegende Bestand gehört zum wissenschaftlichen Nachlaß von Gym.-Prof. Dr. Reinhold Rau (1896-1971), der von 1946 bis 1949 das Stadtarchiv Tübingen leitete und bis zu seinem Tode hier häufiger Benutzer war.

Rau veröffentlichte zahlreiche wissenschaftliche Arbeiten zur Tübinger Stadtgeschichte. Eine im Stadtarchiv vorhandene maschinenschriftliche Bibliographie seiner Schriften füllt allein fast 30 Seiten. Einige Studienarbeiten und Manuskripte gelangten aber nicht zum Druck. Sie sind im Archivrepertorium zum Nachlaß Rau verzeichnet. Die beiden wichtigsten unveröffentlicht gebliebenen Arbeiten Raus sind jedoch hier nicht aufgeführt. Es handelt sich dabei um das sogenannte Tübinger Häuserbuch und das Tübinger Familienbuch, die durchaus als Teilbestand seines Nachlasses zu betrachten sind. Bereits im Jahr 1949, bei seinem Ausscheiden aus städtischen Diensten, verpflichtete sich Rau die Vorarbeiten für ein geplantes Geschlechter- und Häuserbuch nach seinem Tode der Stadt Tübingen zu überlassen (vgl. StA Tbg. Personalakte Rau /71).

Die in den vierziger Jahren begonnene Auswertung genealogischer Quellen setzte Rau in den fünfziger und sechziger Jahren intensiv fort. Die ermittelten Namen und Daten notierte er durchweg auf einem einheitlich vorgedruckten Formular. Neben den Quellen des Stadtarchivs benützte er hauptsächlich die Tübinger Kirchenbücher, aber auch Archivalien des Hauptstaatsarchivs Stuttgart. Zeitlich beschränkte er sich auf ältere Unterlagen. Zitate aus Quellen des 19. und 20. Jahrhunderts konnten nicht festgestellt werden.

Zur Verzeichnung des Bestandes

Der vorliegende Bestand wurde in den Monaten Februar und März 1984 von Frau Monika Mutter neu geordnet, durchnummeriert, quadranguliert und abschließend listenmäßig verzeichnet. Bei der Alphabetisierung der Faszikel wurden folgende Gesichtspunkte eingehalten:

| | | | |
|---|----------|----|---------------|
| C | wurde zu | K | eingearordnet |
| J | zu | I | |
| P | zu | B | |
| T | zu | D | und |
| V | zu | F. | |

Dies war vor allem deshalb nötig, weil die älteren Schreibweisen der Namen häufig variierten.

Gravierend abweichende Schreibweisen eines Namens wurden in Klammern notiert. Der Umfang der Faszikel wurde mit Hilfe der Quadrangeln angegeben.

Im Folgenden die wichtigsten von Rau verwendeten Abkürzungen:

| | | |
|-------------|---|---|
| S | - | Stadtbände oder Stadtakten vor 1806 im Stadtarchiv Tübingen |
| Württ.Arch. | - | Duncker, Die Pfarr- und Gemeinde- registrauren des Oberamts Tübingen (Württembergische Archivinventare Heft 11) Stuttgart 1914 |
| Kfb. | - | Kaufbuch im Stadtarchiv Tübingen |
| Sp.U | - | Spitalurkunde im Stadtarchiv Tübingen. |

Häufig fehlen die Quellenangaben. Es ist zu vermuten, daß diese Hinweise den Tübinger Kirchenbüchern entnommen wurden.

Tübingen, den 06. April 1984

Udo Rauch
