Questions about daycare?

Dear parents,

Your child is going to daycare and you have questions?

- How does the daycare work?
- How do children learn at the daycare center?
- How can I support my child's development?
- When is my child ready for school?
- Who can accompany me in meetings with educators or at parents' evenings in terms of content, but also linguistically?

Our volunteer multipliers „Multis“ will be happy to help you with these or similar questions.

Luzia Köberlein

Gleichstellungs- und Integrationsbeauftragte
